W.P (C) No. 26971 of 2007

Dated this the 11th day of September, 2007

J U D G M E N T

Petitioner is a B.Tech Student and he has completed his course. However, in Design and Analysis of Algorithms and Distributed Systems of the 6th Semester he did not obtain the minimum pass marks and hence he had applied for revaluation. According to him, he was recruited by some private companies from the Campus itself and that if the revaluation is delayed he will be loosing the opportunity of employment. In this background, he has filed this writ petition for expeditious completion of his revaluation.

2. I heard Learned Counsel for the respondent University. According to the University requires at least a month's time for completing the revaluation and declaring the result.

Taking into account the above facts, I dispose of this writ petition directing the respondents to complete the revaluation of the petitioner's answer papers pursuant to Application dated 7.09.2007, as expeditiously as possible, at any rate, within one

month. However, considering the special circumstances, the 2nd respondent shall endeavour to complete the revaluation, within the shortest time.
